OLD BUSINESS (all)

Lets Clean up cross talk in Fellowship. This continues to occur and it us the same offender constantly talking about SC and its operations.

Discussion, any idea how to make it stop? This is not funny, we have lost newcomers and I am constantly getting complaints.

Fellowship is for continuation of the meeting or helping any alcoholic who needs help.

Hosts are supposed to do all they can to be at the business meetings. Please attend. It is timely to do email to all the hosts with every issue so please attend and learn first hand.

I would, like once again to ask, if you have issue with anything, please come directly to me, I am not a tyrant, or mean, but I run the business meetings very business like, this is not an AA meeting but a BUSINESS MEETING.

Keep parking lot conversations civil and related to recovery.

NEW BUSINESS

This is being brought up again. Since we have many new co-Hosts trained, Hosts are encouraged to use them instead of those who will automatically grab a spot and jump to serve. If no option, then it is understood, someone suggested when the new trainees enter the meeting, current co-hosts hand off responsibility to new people to give them experience and confidence to eventually help us fill 22 meetings a week.

Nothing personal but I see the same co hosts all the time. It is your responsibility to step down some and let newly trained members have the service experience.

Use of whats app to argue with fellow members. We are adults, or should be. If you have a grievance, please take it out of the public view and take it offline to the person and work it out.

Please keep private your religious beliefs to yourself and not part of the share. Telling someone that they are full of shit that they have faith before sobering up is not appropriate.

Last is a Group Inventory. I will appoint a. Omitted to work on this. I plan to have it posted to the web page and send out via email to the people I have contact for. We should give a month to complete and return, then tally comments and present to the membership during a special meeting. This will tell us why we are losing members, where the issues are. Things like getting more involvement in hosting, finding out issues with officers, Anonymity breaks, Oldtimers don't know whats best and where this comes from, how do we get more participation in the shares.

I believe this will allow each members god to use them as a tool to clean up our act, eliminate problems and expose unknown problems for correction. We are at a point where something needs to happen. Attendance is down, haven't seen a 60 in a long time and theres no reason were not in the 100's except people can sense problems and leave or stay away.

One bad issue spreads like a fly on horseshit and those flies will kill us.
