OLD BUSINESS (all)

Lets Clean up cross talk in Fellowship. This continues to occur and it us the same offender constantly talking about SC and its operations.

I have had feedback that there is some cross talk about members sponsor being incorrect in their opinions of what they do to be of service. That is between the member and their sponsor and has zero to do with SCWWZ or any other member of our fellowship. Please do not critique any members sponsor. If you have any questions about their ability to sponsor a member or how they're doing things, please take it off the meeting/fellowship time and call the sponsor in question directly.

Discussion, any idea how to make it stop? This is not funny, we have lost newcomers and I am constantly getting complaints.

Fellowship is for continuation of the meeting or helping any alcoholic who needs help.

Remember, regardless of the source, most issues always filter down to the chair so lets take opinions offline.

Hosts are supposed to do all they can to be at the business meetings. Please attend. It is timely to do email to all the hosts with every issue so please attend and learn first hand.

I would, like once again to ask, if you have issue with anything, please come directly to me, I am not a tyrant, or mean, but I run the business meetings very business like, this is not an AA meeting but a BUSINESS MEETING.

Keep parking lot conversations civil and related to recovery.

NEW BUSINESS

This is being brought up again. Since we have many new co-Hosts trained, Hosts are encouraged to use them instead of those who will automatically grab a spot and jump to serve. If no option, then it is understood, someone suggested when the new trainees enter the meeting, current co-hosts hand off responsibility to new people to give them experience and confidence to eventually help us fill 22 meetings a week.

Nothing personal but I see the same co hosts all the time. It is your responsibility to step down some and let newly trained members have the service experience.

Use of whats app to argue with fellow members. We are adults, or should be. If you have a grievance, please take it out of the public view and take it offline to the person and work it out.

If you are impaired or fatigued too much please do not chair a meeting. Notify Mitchell or me ASAP and we will either host the meeting or get someone to do it. And, Again, Please take your fuck you texts off whats app. We should be beyond that and act accordingly.

Please keep private your religious beliefs to yourself and not part of the share. Telling someone that they are full of shit that they have faith before sobering up is not appropriate.

Feel free to share your health struggles in the parking lot and keep them off shares in the meeting. Im not trying to tell people what to share, but this is not part of your experience strength and hope.
