

1/27/24 BUSINESS MEETING NOTES

ERIC SERVICE REPORT:

Monday-noon- Greg P voted in

Tuesday-7am - Kate still taking care of meeting

Saturday- 4am- host no show'd 2 weeks in a row. Possibly looking for a replacement

*Eric reminded all hosts that an issue had been voted on previously and we have fallen off the group conscious of ensuring a Host come prepared with a lead, co-host, and timer to try to get other members /new comers involved and held responsible to show up instead of the same people being co-host and timer repeatedly multiple times a day, every day.

GREG- GSR REPORT:

-Nothing to report

FRED-TREASURER REPORT:

January Financial Report

Beginning balance	\$2,894.75			
	\$ 637.36	collection	Ending balance	\$ 3,532.11
no expenses	\$00000			

-Question came up as far as how money is divided up.

Kelly Eileen was going to share how money had been allotted in the past as far as how we voted so it could be reviewed with the group and discussed at the next business meeting.

OLD BUSINESS:

- Khaos was voted in officially as webmaster

- Bylaws we discussed and will be pushed off another month as Summer is to team up with Fred and reviewing bylaws and ensuring everything looks good from a legal standpoint.

Any suggestions for change need to be sent to Fred on the website discussion board.

2:30pm- meeting was voted to continue to cover more topics.

NEW BUSINESS:

-Question was raised about continuing with a themed topic (stick topic) for Friday p.m. meeting after hosts' commitment time is up. Left to the discretion of the new host .

- Question was brought up about the possibility of an all men's meeting. Fred Volunteered to get that rolling and Tuesday afternoon/evening was suggested as a good time.

-Concern about hosts sobriety time being lowered from 90 days to 30 days to fill all of the service commitment positions, but was suggested to vote on increasing it back to 90 days.

Voted 10 in favor- 10 opposed- 6 obtained

This left the discussion as remaining as stand/no change at 30 days.

- Topic of Hosting service commitment Being changed from six months to three months. Eric reminded the group that at any time someone can no longer maintain their Hosting commitment the position has been filled so this should not be an issue if someone cannot hold a six-month commitment.

- A suggestion of holding an anniversary celebration on the fourth Sunday of each month was put up for a vote- past with 22 votes.

Alyssa to reach out to Rob B to inform him as host that this will officially start in February. All of those celebrating a birthday that month will share how they did it- starting with the newest birthdays and ending with the member celebrating the most sobriety.

- Heather will start creating a list of sober dates and the website also keeps track of sober dates once a member goes in and registers.
- Nomination to close the meeting by Fred- seconded and voted on- pray out.
